## Education at City Pride School

### Activity Based Education:

Education at City Pride School is based on project approach, experiential learning with exposure through field visits, projects, activities and presentations. The education system in our school aims at helping students in understanding the facts by working hands-on, applying simpler & investigative learning way so as to arouse interest & develop better understanding in their subject.

### Field Visits:

Field visits are conducted for every class throughout the year to give exposure and experience to the students. Three field visits are carried out in an academic year.

## Environment Awareness

City Pride School ensure that students are connected to their surrounding environment and are socially conscious, Various environment protection activities are taken up by the school.

School Assembly was conducted on World Environment Day to create awareness among the students. Students drafted slogans to create awareness in the surroundings.

## Waste Management

**1. Segregation of Waste-** Students were taught to manage waste at home and also spread awareness in their neighborhood by telling the importance of segregation. Dry and wet garbage is separated, wet waste used for compost and dry waste handed over to the PCMC garbage collection vans.

## 2. Best Out of Waste

### No. of Students: 40 Students from class 5<sup>th</sup>

Reuse and recycling is the need of the hour. To instill this there were many activities conducted in the school. This practice is inculcated in our students so that they understand the value of things they use. We can see this paper mache mask made by class 5 children.

### 3. Cleanliness

**Cleanliness of School-** The cleanliness of the school premises is maintained regularly by the cleanliness department.

**Segregation of Waste in different bins-** There is an arrangement of separate bins to collect wet and dry garbage on each floor and also separate bins in each class rooms for segregation of garbage.

**3. Availability of Sanitary napkins-** Sanitary napkins are made available to the girls whenever required in the medical room. Newspaper is made available for disposing sanitary napkins

#### **4. Cleanliness of Toilets**

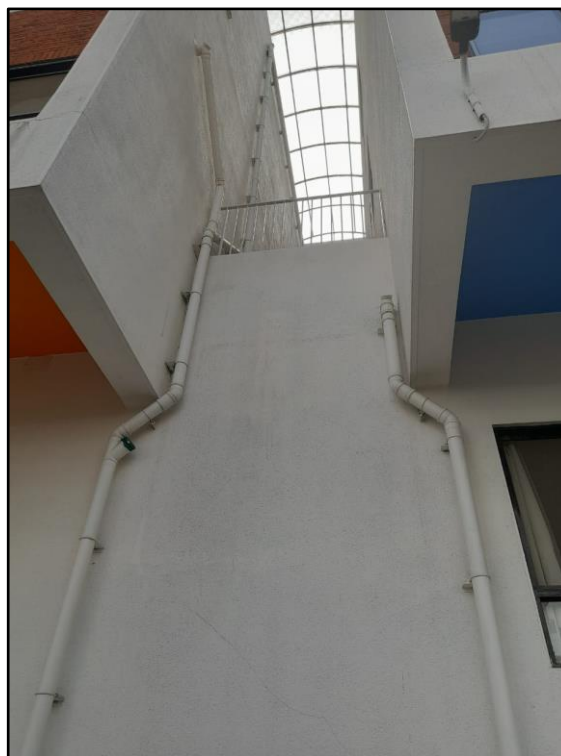

**Clean and Odour free Toilet and Separate toilets for girls and boys-** City Pride School has taken care of the basic necessity for students and teachers- the provision of clean toilets. We have washrooms for girls and boys separately on each floor so that it is easy for them. Our staff uses phenyl, naphthalene balls and other disinfectants while taking care of the cleanliness of the washrooms and instructions regarding proper use of washrooms is also explained to the students. A session was conducted by the Counsellor on clean washroom habits. This enables them to maintain the clean washrooms. There are washbasins and liquid soap provided so that the children can wash hands after using the washroom. Dustbins kept near the washrooms are used for throwing all waste. This maintains the cleanliness of the premise. Use of deodorants is also taken care of to keep the washroom odour free.

4.

**Rain water Harvesting System-** Added to this practice we also have a proper rain water harvesting system. The roof water is collected through pipelines and stored in underground tanks. This collected water is then used by the staff for gardening and cleaning purposes.

### **Water Mission:**

Academic year 2022-23 was dedicated to the theme water. The water project display done by each class showcased the depth and width of the topic ' Water '. The Annual day programme revolved along the theme water: importance, conservation, usage, sources, etc.

### **Environmental protection awareness :**

As a part of spreading awareness among students and teachers on water conservation there was an awareness session conducted in the morning assembly on “Jal hai to Kal hai”.

## **Energy Conservation**

**Solar Panel-** City Pride School takes initiative in conserving electricity by the use of LED in almost every classroom. This reduces the energy consumption. There are electricity audits done by students which makes them understand the need for energy conservation. They analyse the usage of electricity at home and find out ways to reduce the wastage. The school has Solar Panels fitted on the terrace which helps for the supply of power whenever needed and helps in reduction of consumption of electricity supplied through MSEB

## **Best Out of Waste**

### **All students from class 3rd-5th**

Class 3 students made paper bag using old newspaper. Importance of saying no to plastic was explained to them.

---

## Other Awareness Activities Conducted by City Pride School

**1. Shredding of Paper-** The school understands the need for recycling paper and therefore paper shredding is done at school and then sent to the recycling unit.

## Inclusive Learning

City Pride School aims at Inclusive Education a step where children of Masti Ki Pathshala (construction site worker's children) mingle with the mainstream system students. They used to come to school twice a week and our teachers taught them foundational skills in a play way method. Various festivals are clubbed together and celebrated. One such festival Ashadi Ekadashi was celebrated by involving the students of Masti ki Pathshala along with the staff. The students learnt operating computers. They visit the computer lab to learn. Masti ki Pathshala children were also a part of our Annual Day .

The students did share their insights of being empathetic towards the kids and feeling fortunate to live a life of easy means.

Such activities do help students gain a sense of realization, Empathy and contentment.

## Co-scholastic Activities

### Visual and Performing Arts

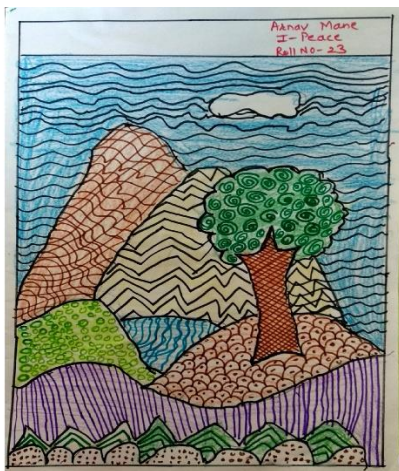

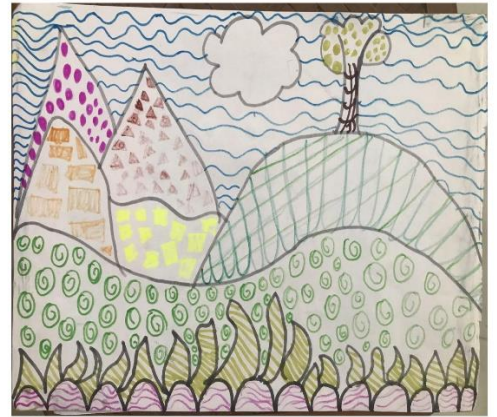

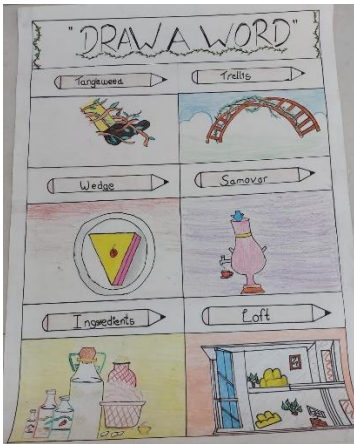

With our vision to develop enlightened citizens, the school gives special emphasis on developing cultural and creative instincts among our children. On a regular basis, through the daily assembly significance of the day is mentioned to help them improvise their knowledge. The school has developed various creative clubs where we systematically train them for various Indian forms of art like Bharat Kathak, Western Dance, Keyboard and Indian classical singing from standard first onwards. Expert coaches with “Visharad” are appointed for honing these skills.

### Art integrated activities

Art Integration is an integral part of learning. Various activities where different subjects are integrated with arts are taken throughout the year. Children enjoy learning as well as learn better.

## SEWA Projects

Students undertook various SEWA activities in school as well as at home to inculcate habits of helping others, self-help and work.
